- The annual fundraising dinner at the Ivy, Sydney in August 2013 to raise funds for pancreatic cancer research.

Review of Operations

The net operating surplus for the financial year ended 30 June 2014 was \$1,177,224 (30 June 2013 was \$1,267,068).

Changes in State of Affairs

During the year to 30 June 2014 there was no significant change in the state of affairs of the company, other than that referred to in the financial statements or notes thereto.

Directors' Report Avner Nahmani Pancreatic Cancer Foundation Limited For the year ended 30 June 2014

Donations in Kind

Over the course of the year the company has received donations in kind from a number of sources. In general these donations were raffle and auction prizes, consumables used for the BBQ at the sponsored walks and legal and accounting advice. The value of donations in kind is difficult to calculate and therefore have not been brought to account in the financial statements.

Voluntary Assistance

In addition to donations in kind the company recruits volunteers to assist with the various fundraising events held during the period. All volunteers are unpaid and a value of time donated is difficult to reliably calculate. For this reason a value has not been included in the financial statements.

Subsequent Events

The annual dinner held in August 2014 in Sydney raised in excess of \$260,000 in net funds. This is not an adjusting event.

Other than the above there has not been any matter or circumstance that has arisen since the end of the financial period that has significantly affected, or may affect, the operations of the company, the results of those operations, or the state of the company in future financial years.

Future Events

It is likely that in future years the company will continue to provide financial and fundraising support to causes relating to pancreatic cancer financed substantially by income from private fundraising.

Dividends

Under the terms of the company's constitution, the company is not authorised to pay dividends.

Indemnification of Officers and Auditors

During the financial year the company has not indemnified or made a relevant agreement to indemnify an officer or auditor of the company or of any related body corporate against a liability incurred as such an officer or auditor.

Remuneration of Directors and Senior Management

Information about the remuneration of directors and senior management is set out in Note 5 of the financial report on page 17.

Auditor's Independence Declaration

The auditor's independence declaration is included on page 4 of the financial report.

Independent Auditor's Report to the members of Avner Nahmani Pancreatic Cancer Foundation Limited

We have audited the accompanying financial report of Avner Nahmani Pancreatic Cancer Foundation Limited, which comprises the statement of financial position as at 30 June 2014, the statement of profit or loss and other comprehensive income, the statement of cash flows and the statement of changes in equity for the year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, directors' declaration and the declaration by principal officer in respect of fundraising appeals of the company, as set out on pages 8 to 19 In addition, we have audited Avner Nahmani Pancreatic Cancer Foundation Limited's compliance with specific requirements of the *Charitable Fundraising Act* 1991, Charitable Collections Act (1946) and the Charitable Collections Regulations (1947) (collectively referred to as the "Charitable Fundraising Acts") for the year ended 30 June 2014.

Directors' Responsibility for the Financial Report and for Compliance with the Charitable Fundraising Acts

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Australian Charities and Not-for-profits Commission Act 2012* and for compliance with the Charitable Fundraising Acts. The directors are also responsible for such internal control as the directors determine is necessary to enable compliance with requirements of the Charitable Fundraising Acts and the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the company's compliance with specific requirements of the Charitable Fundraising Acts and the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the entity has complied with specific requirements of the Charitable Fundraising Acts and the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the company's compliance with specific requirements of the Charitable Fundraising Acts and amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of non-compliance with specific requirements of the Charitable Fundraising Acts and material misstatement of the financial report, whether due to fraud or error.

Deloitte

In making those risk assessments, the auditor considers internal control, relevant to the company's compliance with the Charitable Fundraising Acts and preparation of the financial report that gives a true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

Inherent Limitations

Because of the inherent limitations of any compliance procedure, it is possible that fraud, error, or non-compliance with the Charitable Fundraising Acts may occur and not be detected. An audit is not designed to detect all weaknesses in Avner Nahmani Pancreatic Cancer Foundation Limited compliance with the Charitable Fundraising Acts as an audit is not performed continuously throughout the period and the tests are performed on a sample basis.

Any projection of the evaluation of compliance with the Charitable Fundraising Acts to future periods is subject to the risk that the procedures, may become inadequate because of changes in conditions, or that the degree of compliance with them may deteriorate.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Auditor's Independence Declaration

In conducting our audit, we have complied with the independence requirements of the Australian Charities and Not-for-profits Commission Act 2012.

Basis for Qualified Opinion

Sponsored walks and raffles, dinner and auction revenue, trade sponsorships and cash donations are significant sources of fundraising revenue for the Avner Nahmani Pancreatic Cancer Foundation Limited. Avner Nahmani Pancreatic Cancer Foundation Limited has determined that it is impracticable to establish control over the collection of the sponsored walks and raffles, dinner and auction revenue, trade sponsorships and cash donations prior to entry into its financial records. Accordingly, as the evidence available to us regarding fundraising revenue from these sources was limited, our audit procedures with respect to sponsored walks and raffles, dinner and auction revenue, trade sponsorships and cash donations had to be restricted to the amounts recorded in the financial records. We therefore are unable to express an opinion whether revenue from these sources of fundraising that the Avner Nahmani Pancreatic Cancer Foundation Limited recorded are complete.

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph:

(a) the financial report of Avner Nahmani Pancreatic Cancer Foundation Limited is in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, including:

Deloitte

- (i) giving a true and fair view of the company's financial position as at 30 June 2014 and of its performance for the year ended on that date; and
- (ii) complying with Australian Accounting Standards and Division 60 of the Australian Charities and Not-for-profits Commission Regulation 2013;
- (b) the financial report agrees to the underlying financial records of Avner Nahmani Pancreatic Cancer Foundation Limited, that have been maintained, in all material respects, in accordance with the Charitable Fundraising Acts and their regulations for the year ended 30 June 2014; and
- (c) monies received by Avner Nahmani Pancreatic Cancer Foundation Limited, as a result of fundraising appeals conducted during the year ended 30 June 2014, have been accounted for and applied, in all material respects, in accordance with the Charitable Fundraising Acts and their regulations.

Basis of Preparation

The financial report has been prepared on the basis of historical cost. Historical cost is based on the fair values of the consideration given in exchange for assets. All amounts are presented in Australian dollars, unless otherwise stated.

Adoption of accounting standards

The following significant accounting policies have been adopted in the preparation and presentation of the financial report.

(a) Cash and cash equivalents

Cash and cash equivalents comprises cash on hand and demand deposits. Cash equivalents are short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

(b) Donations in kind and voluntary assistance

Over the course of the year the company has received donations in kind and voluntary assistance neither of which are brought to account in the financial statements since they cannot be reliably measured.

(c) Fundraising costs

Fundraising costs include those costs which are directly attributable to fundraising, such as function expenses, promotions, printing and mailing, and volunteer expenses. These expenses are brought to account in the period in which they are incurred.

(d) Trade and other receivables

Trade and other receivables are recorded at amount due less any provision for doubtful debts.

(e) Goods and services tax

Revenues, expenses and assets are recognised net of the amount of goods and services (GST), except:

- i. where the amount of GST incurred is not recoverable from the taxation authority, it is recognised as part of the cost of acquisition of an asset or as part of an item of expense; or
- ii. for receivables and payables which are recognised inclusive of GST.

The net amount of GST recoverable, or payable to, the taxation authority is included as part of receivables or payables.

Cash flows are included in the statement of cash flows on a gross basis. The GST component of cash flows arising from investing and financial activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

(f) Income tax

Section 50-5 of the Income Tax Assessment Act provides that certain bodies will be exempt from income tax. The company is exempt from income tax in accordance with the Act; accordingly no provision for income tax or income tax expense has been recorded.

(g) Trade and other Payables

Trade and other payables are recognised when the company becomes obliged to make future payments resulting from the purchase of goods or services.

(h) Provisions

Provisions are recognised when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that the company will be required to settle the obligation, and a reliable estimate can be made of the amount of provision.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at reporting date, taking into account the risks and uncertainties surrounding the obligation. Where a provision is measured using the cash flows estimated to settle the obligation, its carrying amount is the present value of those cash flows.

Notes to the Financial Statements Avner Nahmani Pancreatic Cancer Foundation Limited

For the year ended 30 June 2014

(i) Revenue recognition

The timing of the recognition of donations, fundraising, sponsorships and grants depends when control of these contributions or right to receive these contributions is obtained, which is usually upon receipt of the monies.

Where monies are received relating to a specific project to take place in the following year, the amount so received is brought to account as balance sheet items and released to revenue at the conclusion of the project. Interest revenue is recognised on a time proportionate basis that takes into account the effective interest rate.

Revenue from the sale of fundraising consumables is recognised when the consumables are delivered and legal title is passed.

(i) Prepayments

Prepayments for goods and services which are to be provided in future years are recognised as prepayments.

(k) Inventories

Inventories are stated at the lower of cost and net realisable value. Costs of inventories are determined on a first-in-first-out basis. Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

3 Critical accounting judgements and key sources of estimation uncertainty

In the application of A-IFRS management is required to make judgements, estimates and assumptions about carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgments. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.
